

# COMMUNITY OF READERS

We would like to remind parents and students about our **St Therese's 'Community of Readers' program.**

As an agreed practice, teachers are encouraged to engage students in valuable and purposeful reading activities during this time. Therefore, each day from **8:45am – 9:00am** students are expected to be in their classrooms to participate in our 'Community of Readers' program. This time provides an opportunity for teachers to hear individual children read in order to monitor their progress, through the use of running records or providing feedback to students. This reading time provides an **extra 50 hours of reading practise** per year.

Please ensure that your child makes the most of this opportunity by arriving at school before **8:45am**. The teachers will all have their classrooms opened at 8:30am to allow the children to be organised and settled for a prompt start. Please encourage your child to come straight to the classroom on arrival at school.

Thanking you for your ongoing assistance and support.
